

UC Merced Student Clubs and Organizations—We Want You!

The Early Childhood Education Center (ECEC) serves young children of students, faculty, staff, and some Merced community members by providing high quality early care and education services for infants, toddlers, preschoolers, and Kindergarteners. We are looking for UC Merced clubs and organizations who are interested in doing events to provide enrichment and opportunities for experiences and learning.

- ◆ Hours for activities are between **8:30 a.m.-12 noon** or between **3:30-5:00 p.m.** during the **work week**. Some **evening events** available as well.
- ◆ It can be a short **15 minute** experience or something **longer and more involved**. It can be a **one-time event** or a **project over time**.
- ◆ We can come to an area **on campus** to meet you or you can come to the **ECEC** and do your volunteering there.
- ◆ The ECEC can provide **art materials** such as paper, paint, glue, glitter, etc. and supplies for **cooking projects**.
- ◆ You can choose the **age group(s)** you are interested in working with.
- ◆ We would like to have activities focused around **science, social studies, community building, multi-cultural, art, music, and physical** activities. We want to support an activity that is meaningful to your group and mission.

Please send us an email with the following information:

Name of group, a few possible dates/times for the activity, what type of activity you are interested in doing or group mission/outreach goal, number of students coming, ages you are interesting in working with (infants, toddlers, preschoolers, or all ages).
